DO PEOPLE STILL SEND CHRISTMAS CARDS?

Yeh, we hear that a lot.

And, surprisingly, it's utter tinselrot.

Of course they do.

Granted, you probably got fewer Christmas Cards last year than in 1999.

But think about one you did get. Did you open it and think "They shouldn't have bothered"? Did you baubles.

You thought "ah, cute". Or "megalolz, that made me smile" or "oh yeh, I was meaning to get back in touch with them."

They say some things are best left unsaid.

But "thank you" isn't one of them.

PREDESIGNED CHRISTMAS CARDS

We have hundreds of designs available to personalise online. Say exactly what your customer wants on the inside whether it's 'Season's Greetings' or 'Bah Humbug' – the choice is theirs.
